

EMPLOYEE SURVEY

PART 1 OF 5: CONNECTION TO COMPANY

The five points of connection that fuel high performance, job satisfaction, and employee engagement are connection to company, work, peers, manager, and self.

1. I am clear on the connection between my role and my company's goals
2. My well-being is important to leaders at my company
3. Our culture is aligned with our company values
4. I feel properly informed about company updates that are relevant to me
5. My company's purpose inspires me
6. I am clear on my company's future plans
7. I am confident in our leadership team to lead the company forward
